Re: Cub Mine Bond Release, M/037/044, San Juan County, Utah

Dear Mr. Swanson:

Thank you for your letter dated August 17, 1993, explaining the status of the outstanding reclamation issues at the Cub site.

Please notify the Division when the UP&L power pole has been removed and the vent shaft access road reclaimed.

The 1950 decline falls outside the permitted area of the Cub mine, so the state has no jurisdiction to require reclamation. However, because it presents a safety hazard, it would be prudent for the claim holder to either reclaim it or gate/barricade it.

Sincerely,

Holland Shepherd  
Senior Reclamation Specialist
